

Kevin Fernandes, Chief Revenue Officer

Kevin Fernandes joined Dejero in 2017 and leads the global sales team as Chief Revenue Officer. He brings 15 years of experience working with audio and video customers to develop and support equipment for broadcast, medical, and industrial markets. Prior to Dejero, Kevin held various senior level B2B sales roles with a focus on connecting clients with the right solutions to fulfil their business needs. Kevin holds a Bachelor's in Computer Engineering and a Masters of Applied Science in Electrical Engineering from McMaster University, located in Hamilton, Ontario.
