

Kevin Fernandes, Chief Revenue Officer

Kevin Fernandes, Chief Revenue Officer, joined Dejero in 2017 and brings over 20 years of experience working with audio and video customers to develop and support equipment for broadcast, medical, and industrial markets. He leads Dejero's global sales team, connecting clients with solutions that help them achieve their business goals.

Before joining Dejero, Kevin held senior-level B2B sales roles with a focus on delivering the right technology to meet customer needs. He holds a Bachelor's in Computer Engineering and a Master of Applied Science in Electrical Engineering from McMaster University in Hamilton, Ontario. Under his leadership, the sales organization has expanded Dejero's global footprint, building lasting partnerships and driving sustained revenue growth.
